David M. Taube Launches New Company and Web Site:

Kalorama Wealth Strategies/www.kaloramawealth.com

I am proud to announce the formation of Kalorama Wealth Strategies, a fee-only investment advisory and financial planning company. As a fee-only advisor, I provide independent and objective advice focused on strategies, client service, and relationships, not products and sales.

After many years advising business executives and financial advisors, I made the decision to pursue my long-standing goal of providing my expertise to individuals. My mission is succinct: to help individuals achieve greater financial security and independence. Whether you are seeking to create, accumulate, or preserve wealth, I can help develop strategies to achieve your goals.

With the focal point of any financial strategy being the investment plan (how your assets will be invested to achieve your financial goals), my experience with investment research, portfolio management, and retirement planning will be paramount in developing long-term strategies. Please take a moment to visit my web site at www.kaloramawealth.com to learn more about my company and its services.

Thank you in advance for your support as I undertake this challenge and journey. If I can be of any assistance to you or anyone you know, please do not hesitate to contact me.

Sincerely,

David
