KALORAMA WEALTH STRATEGIES, LLC OFFICIALLY CERTIFIED AS AN LGBT BUSINESS ENTERPRISE

The NGLCC's Supplier Diversity Initiative has Helped Hundreds of LGBT Business Owners Connect with Corporate America, the Government and Each Other

Washington, D.C. – Kalorama Wealth Strategies, LLC (www.kaloramawealth.com) is now officially certified as an LGBT owned and operated business through the National Gay & Lesbian Chamber of Commerce's (NGLCC) Supplier Diversity Initiative (SDI). The NGLCC is the nation's exclusive certifying body for LGBT owned and operated businesses.

"We are proud and excited to be certified by the NGLCC," Kalorama Wealth's founder and CEO David M. Taube said. "Since its inception in 2005, Kalorama's mission has been to help LGBT individuals and allies achieve greater financial security and independence. This certification demonstrates and advances our commitment to serve members and allies of the LGBT community who support diversity and equality, and sets the stage for our next phase of business development."

"America's top corporations are eager to do business with the LGBT community," said Justin G. Nelson, President and Co-Founder of the NGLCC. "Our community has a demonstrated entrepreneurial spirit and is a \$743 billion consumer market."

The Supplier Diversity Initiative began in 2006 in response to Corporate America's growing to engage more deeply with the LGBT business community. Today, the NGLCC has over 130 corporate Supplier Diversity Partners who recognize the LGBTBE designation when making procurement decisions and ensuring diversity in their supply chains.

The National Gay & Lesbian Chamber of Commerce (NGLCC) is the only national not-for-profit advocacy organization dedicated to expanding the economic opportunities and advancements of the LGBT business community. With more than 29,000 members, 130 corporate partners and 62 local, state and international affiliate chambers, NGLCC is the largest LGBT business development and economic advocacy organization in the world.
